Please check here if we may provide your name/contact information to roommates(s) once they have been assigned: _____

IMPORTANT NOTE: Students with special housing requests/needs (especially vegetarian diets, pet or other allergies, etc.), must advise the CCIS Seville Center as far in advance as possible. Special requests cannot be guaranteed, but everything possible will be done to comply with your requests.

All students must stay in housing arranged/approved by the CCIS Seville Center. Exceptions will be considered only when the student has family in Seville and when requested at least one month before the beginning of the term.

All housing arrangements are coordinated by the Housing Office in Seville. Additional information regarding your specific housing situation can be obtained by contacting the CCIS Center in Seville.
