Program Overview

A major objective of the Salzburg College program is the integration of classroom study and on-site experience. Small classes held in English and a dedicated faculty enhance the individual learning process. Close to 8,000 students from over 400 American colleges and universities have attended the institution. Salzburg is considered by many to be one of
the most beautiful cities in Europe. With a population of about 150,000, Salzburg is situated in the heart of Europe on the northern edge of the eastern Alps right at the Austrian-German border. Surrounded by picturesque mountains, the city still mirrors in its historical center -- a declared UNESCO World Heritage Site - more than a thousand years of European history and culture. Its rich and vibrant cultural heritage is reflected in concerts, festivals and a great variety of events throughout the year.

All of the above make Salzburg the ideal setting for a "European experience."

Ideally located for travel, Salzburg is less than four hours by train from Vienna, only two hours from Munich, and an overnight train ride from Paris or Venice. Several Eastern European countries are within easy reach.

Academics & Program

The study center of Salzburg College is located in the KunstQuartier (ArtQuarter) on Bergstrasse. The core building itself dates back to the 15th century and was originally utilized for various purposes. Beginning in 1802, the building housed the Salzburger Druckerei (Salzburg Press) for over 200 years. The last printing machine was dissembled in 2008 after 200 years in operation. In addition to a recital hall and private atrium, the location also offers the following amenities: class rooms, art studio, dark room, library, study space, spacious lounge and music practice.
rooms. Students have lunches next door in a beautiful priest seminary steps away from the Mirabell gardens.

The close vicinity of public, educational and cultural institutions allows for easy integration of classroom study and on-site experience which is a major objective of the Salzburg College program. You will find the university library, the Mozart Archives, museum and galleries in easy walking distance. The local farmers market, coffee shops, local eateries, bookstores, boutiques, pastry shops and bakeries are all just steps away from the College’s downtown location. Bergstrasse is also near the main intersecting point of the Salzburg public bus system which greatly facilitates the commuting to and from the Austrian host family homes and the dormitories.

Language
All courses are taught in English, with the exception of German language and upper level German literature courses. One German language course is required.

Course Offerings
German language and literature, history, economics and politics, music history, music performance, intercultural communications, business, marketing, public relations, studio art, and internships (including prep course for internships).

New - Sports Abroad Program
The Salzburg College & Salzburg Ducks Study & Sports Abroad Program combines undergraduate studies abroad with Austrian American football league (amateur) playing experience. This program which takes place during both spring and summer terms offers reduced tuition to students with prior American football team experience wanting to play internationally while staying on track with their academics.

Program Highlights

- 6-month study & league sports program (spring & summer semester)
- Completion of up to 24 U.S. undergraduate credits
- Guaranteed roster spot with the Salzburg Ducks American Football Team
- Maximized cultural involvement through living with an Austrian family
- Internship credit for youth coaching commitment

Courses
Courses at Salzburg College take place Monday through Thursday for a maximum of 24 U.S. credit hours. The full-time program is based on 4 courses per semester according to standard U.S. university class meeting times.

Playing
Students accepted into the program will be playing in the Austrian 2nd Division with the Salzburg Ducks American Football Team. Games are on weekends and team practices take place three times per week. Students are expected to train individually in addition.  [www.salzburgducks.com](http://www.salzburgducks.com)

Coaching for Credit
The coaching commitment includes two practices per week and occasional coaches meetings. U13, U15 & U17 games are periodically on weekends. In preparation for this unique intercultural internship experience students will be enrolled in the internship preparation course at Salzburg College.

Student Life & Housing

Student Life
Since fares are usually much higher to Salzburg than to Munich, which is only a two-hour drive away, it is recommended that you check out both options before making your reservations. Information regarding travel will be provided in the acceptance letter.

As a complement to the academic program, students take day trips to nearby towns, including both the lake and mountain district. Students participating on the Sport Abroad program will have a 3-day excursion to Vienna, Austria's historical capital, which will provide a broad range of experiences related to history, art, music, and modern life in Europe.

Students can join a ‘buddy system’, a joint project of Salzburg College and the University of Salzburg, allowing SC students to be linked up to Austrian students and thus facilitating the process of social integration. Salzburg College students are also invited to participate in the University of Salzburg sports offerings. Lots of extra-curricular activities, such as hiking, climbing, wintersports, cooking, etc.

Housing
Students can choose between home-stay with an Austrian family or living in a carefully selected university dormitory. Housing assignments are based on interviews conducted during the initial field trip through Bavaria. Becoming part of an Austrian host family or joining Austrian students in a dormitory allows Salzburg College students to learn to understand Austrian customs and values first hand. This is a particularly rewarding aspect of studying at Salzburg College.

Sports Abroad Housing
To maximize cultural involvement, students live with Austrian families. Breakfast and dinner are provided by the Austrian host families. Family accommodations are reserved for students up to the age of 26. Weekday lunches are provided by Salzburg College when in session.
