Program Overview

IAU's French Language and Culture January Term Program is designed for students interested in a language and cultural immersion experience in the Mediterranean region of Southern France. IAU's exceptional out-of-classroom experiences include homestays, regional field studies, and extracurricular activities such as wine tastings and cooking courses. Students receive intensive language instruction and have an immersive experience in the local culture during this three-week program.

The many libraries, museums, churches, bookstores, markets, and cafés have earned Aix its reputation as one of...
France's most engaging cities. A wealth of cinemas, restaurants, discothèques, and sports facilities welcomes Aix's students. With its charm and Mediterranean climate, Aix-en-Provence is one of the most popular and sought-after cities in France.
