Program Overview

IPAG Business School is a private, professionally oriented school with campuses in Paris and Nice. The Nice campus, in the south of France, offers access to cultural attractions of the French Riviera, including a jazz festival, opera, and other activities and events.

IPAG specializes in international business and through its network of alumni, IPAG students have access to the European business community. IPAG is host to students from all over Europe, the Americas and Asia. Nice, on the French Riviera, benefits from its outstanding Mediterranean climate and associated outdoor and indoor activities in all seasons. IPAG is located minutes away from Cannes which is famous for its International Film Festival.
Academics & Program

IPAG School of Management in Nice

The academic program at IPAG is designed for students with a background or interest in business. The 16-week semester offers classes in French language and culture, Intercultural Management, Management Development, and European Economic Environment. Additional business courses are also available. Students should have a 2.7 GPA, and the program is open to students from all undergraduate levels.

For students who plan to stay for more than one semester, there are extensive internship possibilities. Students can take advantage of proximity to the industries in this region, including Sophia-Antipolis, the French Silicon Valley.

Academic Highlights

For international students, IPAG provides an excellent opportunity to study Business & Management in such an historic and culturally-rich country as France. Foreign students mingle with the local student population in and outside coursetime and learn about the different approaches to business and life in France. Exchange students from many nationalities enhance the experience.

Course Credits: Credit hours vary *
Language of Instruction: English and French

Student Life & Housing

Student Life

Students are met at the airport upon arrival and provided with orientation within the first week of the program. The campus offers students a variety of services, including a multimedia center and more. Students are invited to participate in campus activities such as sports clubs, cultural activities and international student association.

Housing

IPAG assists students with finding shared apartments but students are responsible for arranging their own housing and meals.
