Program Overview

The Manawatu campus in Palmerston North is the founding home of Massey University. With a student population of 9,000 students, the campus sits amongst beautiful park-like grounds, and offers students a university lifestyle like no other.
This vibrant, young person's city with the highest student population per head in New Zealand, offers affordable accommodation, great bars and restaurants, live theatre, sporting centres and indoor pools. For the adventurous, there are challenging mountain bike tracks, bungi-jumping, river kayaking and equestrian facilities.

Academics & Program

Massey University in Palmerston North

Massey has a reputation of academic excellence and leadership across a wide range of disciplines and is, for example, New Zealand's premier and largest institution for agricultural and horticultural teaching and research.

Study Abroad students can select from a wide range of courses across the five Colleges: Business; Education; Design, Fine Arts & Music; Humanities & Social Sciences; and Sciences.

Course Offerings (called papers) at Massey University can be found at the Massey Program Course Search.

Subjects taught on the Manawatu campus include: Agriculture Computer Science Economics Education Engineering International Business Mathematics and Information Sciences Nutrition Sciences Social Sciences

Academic Highlights

New Zealand-focused subjects of particular interest to recent students include: Maori Visual & Performing Arts, NZ Fauna & Flora, NZ Environmental Issues, Plate Tectonics & NZ Geology, Mid-Twentieth Century Aotearoa/ NZ Literature, Maori Language, Defense Studies, and the New Zealand Economy.

Global Student Athlete Program
GSA allows athletes to improve their skills and fitness while studying overseas. Our two newest tracks, Equestrian and Cricket, join Rugby as our sports-specific tracks. Our other tracks, Strength & Conditioning and Elite Sport Services, provide support for student-athletes from any sport. Click here for more information.

**National Expedition and Internship**

Creative Expression & Digital Media is the newest track of our six-week Northern Hemisphere summer programme. It is running for the first time in 2017 alongside our Agriculture & Environment, Communication & Marketing, and Disaster Risk & Emergency Management tracks. We expect to offer all four tracks again in 2018. Click here for more information.

**Course Credits:** Credits vary  
**Language of Instruction:** English
