Academics & Program

[Macquarie University in Sydney](#)

Macquarie University began in Sydney in 1964. Today, the University is a multifaceted institution situated in the heart of one of Australia's leading high technology parks. The 125-hectare campus is located 12 miles northwest of Sydney's central business district and enjoys a magnificent natural brush land setting. A modern shopping complex is located adjacent to the campus and there is a train on campus which goes into downtown Sydney every 4 minutes during peak hour.

The Macquarie University Library has a collection of over one million books and periodicals and provides seating for 1,850 readers. The library offers free and open access to the books and periodicals collections as well as lending privileges and reference services to all students. International students play an important role in the life of the University, with over 12,000 international students currently studying on campus within a total student population of 40,000. Macquarie University is ranked in the world's top 100 universities (The Times' Higher Education Supplement 2006).

Course Offerings

The program at Macquarie University offers internships, a Global Leadership program certificate and a wide variety of courses which include the following: Australian and Aboriginal Studies, Anthropology, Biology, Business, Communications, Computing, Economics, Finance, Education, Engineering, English, Environmental Studies, History, Languages, Literature, Media, Politics, Psychology, Sciences and Sociology.

Academic Highlights

Macquarie is an innovative and entrepreneurial Australian university, distinguished by excellence in teaching and learning, and community and global outreach. The University is committed to scholarly, flexible, technology-enhanced and interdisciplinary study, as well as vigorous engagement with industry, commerce and the international community. International student at Macquarie become part of a vibrant and diverse campus community which includes a state-of-the-art library and hospital. Most Macquarie students agree that their life on campus was one of the most memorable aspects of their study.

Student Life & Housing

Student Life

Macquarie University life is more than study, and in addition to its excellent teaching facilities, it offers an abundance of social and sporting opportunities. The active Sports Association has more than thirty clubs for everything from athletics to water-skiing. There are squash, netball, tennis, and badminton courts available. In addition, there is a gym and weight-training area, a sauna, a brush track, and four sports fields. The Student Union organizes many activities on campus, including rock bands, Market Days, and regular art and craft activities.

Macquarie University also provides an exciting orientation to assist students in adjusting to new people in a new

country. For example, Session 2 2019 Orientation ran from 22 - 29 July 2019 with stalls setup throughout the campus on the 25, 26 and 29 July 2019.

Housing

Students at Macquarie University are housed in various accommodation options on and around campus, including seventy-five new five-bedroom townhouses, which are self-catered. The Accommodations Office assists students in finding temporary and permanent housing. [See all housing options here](#). The opportunity to meet students from 71 nations and have a true international learning experience is available.

In March 2021 Macquarie opened a brand new student accommodation in the centre of campus. The [University Residence](#) is purpose built with multiple options for students depending on their budget - some rooms are even twins to accommodate study abroad students. Click for all details including virtual tours.

The two most popular options for study abroad students are:

Residential Halls Macquarie University Village: accommodates students in 1/2/or 5 bedroom townhouses within an 800-bed living complex. Perfect for those wanting to live in a large social environment with private bathroom facilities. This is a top choice for US study abroad students.

Dunmore Lang: live in an all inclusive college with a strong focus on artistic, recreational and educational pursuits. Full meal board, gym membership and free academic tutoring.

Here are other popular options:

Robert Menzies: live in an all-inclusive college with strong academic and pastoral support. Both self-catered and full catered accommodations are offered. There are private, fully-furnished study bedrooms with shared bathrooms or private ensuite bathrooms.

Macquarie Apartments Herring Road Apartments: closest apartment to Macquarie Shopping Centre, train station and lecture halls Accommodates 3-6 students in 3,4, or 6 bedrooms. Great for students wanting to live right on campus.
