

Salzburg College

Semester & Academic Year Programs 2019-20

The semester and academic year programs at Salzburg College are designed to allow students to truly immerse themselves into the Austrian culture and German language. It is our mission to support students in feeling as though they have truly relocated their life and education to Central Europe and have become part of the local culture. At Salzburg College classroom work, field study, workplace experience and academic travel complement one another. Students are encouraged to make their personal experiences part of their academic studies. Experiential learning constitutes an important component of all our semester and academic year programs, one of the major reasons why we require all academic year students to complete an internship.

Academic Course Offerings

- European Studies
- German Language and Culture
- Communication & Business
- Art & Photography
- Music
- Internships

Excursions

The 2 day trips to Munich/Bavaria (Germany) are designed to let students obtain their visa, complete the first phase of cultural adaptation, and to learn to navigate a larger European city. The 3-day trip to Vienna, Austria's historical capital, will provide a broad range of experiences related to history, art, music, and modern life. In addition, a variety of local excursions constitute an integral part of the academic program. There is also ample time set aside for independent travel.

Housing

To maximize cultural involvement, students live either in Austrian families or share a room in an Austrian student dormitory where breakfast and dinner are served. Family accommodations are reserved for students under the age of 26. Weekday lunches are provided by Salzburg College when in session.

Eligibility

- Sophomore standing or higher
- Minimum GPA of 2.7

Program Fee

The program fee includes tuition, room and board, mandatory health & liability insurance, course related excursions, a 2 day trips to Munich/Bavaria, a 3-day trip to Vienna (breakfast only), a day trip to the Salzkammergut, and various local excursions. The fee does not include health/travel insurance, passport fees and transatlantic transportation. Additional fees on behalf of the home institution or consortium may apply.
