NEW ZEALAND

# Study Abroad & Exchange Guide

# Why New Zealand?

New Zealand is a small yet mighty country located in the South Pacific; our closest neighbours include Australia and Fiji. Our claims to fame include kiwis (the bird and the fruit!), Sir Edmund Hillary, the All Blacks rugby team, Peter Jackson, Lorde, and Flight of the Conchords – to name a few.

A study and travel experience in New Zealand is transformative. You'll join a world-class education system, meet friendly locals, see amazing sights and enjoy a healthy work-life balance.

In our culture, we celebrate our indigenous people, Māori, and their cultures and traditions are woven into

various aspects of New Zealand life. At the airport, spot Māori translations on signage, and during your travels take the opportunity to watch a spine-tingling haka (war dance) performance.

In New Zealand, our entrepreneurial spirit is hard to miss as we continually search for innovative solutions. Weta Workshop, pioneers in animation, and Medicine Mondiale, creators of life-changing products such as the Mondiale Life Pod Incubator, are excellent examples of this.

At the University of Waikato, experience all of this and more. **We can't wait to meet you.**

**Innovation** – thinking outside of the square is the New Zealand way of life.

**Stunning landscapes** – go from mountains to beaches to rainforests in one afternoon.

**Climate** – our mild climate is perfect for getting out and exploring year-round.

**Indigenous culture** – the culture and traditions of our indigenous people, Māori, form a vital role in shaping our national identity.

**Happiness** – we're a happy bunch! In the latest edition of the World Happiness Report, New Zealand ranked 8th happiest country.

**Integrity** – in our culture we believe in equal rights and ethical practices. In the Corruption Perceptions Index, New Zealand ranked first-equal with Denmark.

**Peaceful** – #1 safest English-speaking country in the world (2017 Global Peace Index).

# Why Hamilton?

Hamilton is New Zealand's fourth largest city and the perfect launching point for exploring. Daily life in Hamilton is relaxed – grocery stores are accessible, housing is of a high standard, locals are friendly, and you don't have to compete with heavy traffic like that found in Auckland.

One of the biggest perks to living in Hamilton is its proximity to other scenic and adventure-filled destinations. Nearby Raglan is a 45 minute drive away, and with some of the best surf beaches in the world and great cafés, it's well worth a visit.

Drive to the tourism hotspot of Rotorua, or the golden sand beaches of Mount Maunganui, in less than 2 hours.

A night out in Hamilton city is always fun with a wide range of great restaurants and bars with free entry.

A visit to Good George, makers of craft beer, is a must-do, and there's a range of cuisines to try from Malaysian to Mexican.

It's an exciting time to live and study in 'The Tron'!

**Come and join us.**

**Central location** – Hamilton is well positioned near the centre of the North Island close to our biggest city, Auckland, and beaches, forests and mountains.

**Affordable cost of living** – our town offers the perks of city life with lower prices when compared to larger cities. Rent and food costs are lower, and the city bus costs less than NZ\$2 per ride.

**Rugby** – Hamiltonians love their rugby – playing, watching and talking about the game. A rugby game at Waikato Stadium is a popular activity, with student tickets beginning from NZ\$15.

**Raglan** – the cool little town of Raglan is a 45 minute drive from Hamilton and is home to some of the world's best surf beaches and famous for its left hand break.

**Hiking** – the Waikato region is known for its untouched nature and rolling green hills. There are lots of popular hiking trails to try such as Hakarimata Summit Track, Blue Spring and Mt Te Aroha Summit Track.

**Café culture** – Hamilton is one of New Zealand's fastest growing cities and as the city grows, so do the number of cafés and restaurants. The suburb of Hamilton East is close to campus and full of great options from gelato, to gourmet fish and chips, to quirky cafés and vintage shops.

Living on-campus provides the ultimate Kiwi student experience - it's a great way to meet new people and immerse yourself in student life. ---

## **Fully-Catered: College Hall, Bryant Hall, Student Village**

This option provides you with your own room in a residence hall, with shared bathroom and lounge space. Meals are provided in each hall's large dining room, where you can enjoy three meals a day, seven days a week. The halls are an excellent option if you want to socialise with Kiwi students, participate in group sports and activities, and not worry about cooking meals.

## **Self-Catered: Orchard Park**

This option provides you with your own room, with shared bathroom, kitchen, and lounge space in a cottage with up to five other students. In self-catered accommodation, you will cook and clean independently. This is an excellent option for students who want to cook their own meals and have a bit more independence. College Hall, Bryant Hall, and Student Village also have a few self-catered flats available.

### **COLLEGE HALL**

College Hall is the largest hall and most recently renovated. It has modern lounges on each floor for study and leisure. It's close to the faculties of Management, Education, and Law, as well as the swimming pool and sports courts.

### **BRYANT HALL**

Bryant Hall is the smallest hall, creating a tight-knit community of residents and staff who all look out for each other and are focused on balancing study and the student lifestyle. It's close to the Faculty of Arts and Sciences, UniRec gym, Student Centre, and Village Green.

### **STUDENT VILLAGE**

Student Village is unique in that students live in pods of six residents meaning your pod becomes like your family while you're in the hall. It is located closest to the Faculty of Arts and Sciences, UniRec gym, Student Centre, and Village Green.

## ORCHARD PARK

Orchard Park is designed for students who want to live in a flatting situation with a good balance between meeting new people and being independent, while enjoying the security of being on campus. All rooms at Orchard Park are self-catered. Each cottage has its own living, dining and kitchen areas, and there is a recreation room for all residents to use. Orchard Park is popular with second to fourth year students, international and postgraduate students.

## HOMESTAY

Students can also choose the homestay option and live with a local New Zealand family. We have a wonderful network of families around Hamilton and this is a great way to learn more about Kiwi culture. It's also an excellent option for non-native English speakers to practise their English. You will have your own furnished room.

## OFF-CAMPUS FLATTING

If you're looking for a more independent lifestyle, you may choose to find a flat (house or apartment) and share with flatmates. You rent a private bedroom and share a common living space. There are many affordable student flats near campus. Be sure to look carefully at your rental contract and be aware that some flats will be unfurnished.
