

## For Member Institutions &amp; Students

To honor our recent partnership with the College Consortium of International Studies, CRCC Asia is excited to announce two scholarship opportunities for all CCIS member institutions and their students.

CRCC Asia is awarding one \$3,000 scholarship to a CCIS member university and another \$3,000 scholarship to one student currently attending a member institution. Recipients will be awarded based on a need for funding and motivation for internship opportunities in Asia.

The scholarships can be used toward any of CRCC Asia's internship programs in Beijing, Shanghai, Shenzhen, Tokyo, Osaka, Seoul, Ho Chi Minh City, or Manchester.

## Institutions

Any CCIS member institution is eligible to apply. The chosen institution can choose to allocate the \$3,000 scholarship to one or multiple students' program fees as it sees fit.
